MRS GEORGE B. WARREN, JR. Perhaps her parents Mr & Mrs William D. Alexander had premonition of the gaiety, sparkle, witticism and airy manner their new born babe would possess when they selected a Celtic name, christening her Rowena.

Rowena Alexander Warren was born in East Orange, N. J., and after completing high school, she entered Temple University. Later she was Supervisor of Recreation for Baltimore, Md. school system. Seeking new and wider fields, she came to New York as Health Education Director of the Harlem Branch Y. W. C. A. where she remained until 1951.

In 1947 she was wed to George B. Warren, Jr. In 1951 the Warrens were sent overseas, he as a Major in the US Army, stationed in England and Germany for nearly four years. During that time Rowena continued her career as a teacher in the U. S. Army schools. In 1954 the Warrens returned to the States with their two children, William Alexander age 5-1/2 years, and Louise Ethel, age four.

She is busily engaged at present substituting in the Montclair school system, where she resides with her parents; taking brush-up courses in dance instructions, and keeping her brood happy, as they await the news from dad, as to their next jumping off post, since the Major is at time of this writing, stationed in Ft Leavenworth, Kansas with the USA Command & General Staff College.

Rowena has also rejoined the National Council of Negro Women (N. Y. Council), and the North Jersey Branch National College Women, and her host of friends welcome her return with joy.

MRS CHARLES L. WHIGHAM, beloved by the entire community for her willingness to give cheerfully and unstintingly of her service whenever called upon. She is one of the most sought after young matrons to serve on committees, or to become a part of various social clubs.

Marie, as she is known to her many friends, is a native of the city of Newark, N. J., and a product of its school system, having graduated from West Side High, and she is the daughter of pioneer citizens, Mr & Mrs John Foster. In 1942 she became the bride of popular mortician, Charles L. Whigham, and from that union were born two lovely children, Lemar (Charles

L., Jr.) age twelve, and pretty Carolyn Marie, age seven.

Among the many affiliations to which Mrs Whigham is devoted are Social Elites, Womens League of New Jersey, Frontiers Auxiliary, Young Women's Guild of Pilgrim Baptist Church, Entertainment Chairman of Newark Branch NAACP, as well as a member of the Executive Board and a devout member of the Queen of Angels Catholic Church.

MRS. ERNEST B. WETMORE of Morristown, N. J., born Katherine, daughter of Mr. Leonard and Ruby Hughes, in Washington, D. C. Kay as she is affectionately called by her scores of friends, spent her childhood with parents in D. C., also with relatives in Jersey City, N. J., hence her friends stretch the length and breadth of the Atlantic coastline.

In 1930 she was married to Dr. Ernest B. Wetmore, and together they have achieved a full and happy life. Both are enthusiasts of deep-sea and salt water fishing, trap shooting and hunting. In the angler's sports as well as for marksmanship, Kay and the doctor have chalked up a good many awards and trophies.

Although Mrs Wetmore never has been an entrant in any contest she is readily acknowledged as one of the best dressed women along the Eastern Seaboard, whether it is at a luncheon, a dinner-meeting, a card party, A Formal, or one of the many Conferences and Conventions which require her time.

Under three different Mayors of Morristown, she has been appointed as Civil Rights Commissioner, and now goes into her 4th appointive year.

She is also a Trustee of The All-Souls Hospital of Morristown; a member of the Executive Committee of the Morris County Mental Health Assn., President of the Morris County National Council of Negro Women Inc., Past Regional Director of the Lambda Kappa Mu Sorority, member of the NAACP, and finally a member of the New Jersey Chapter of The Girl Friends; space not permitting the numerous other community, civic and social affiliations.

Suffice it to say that Kay in her local community, as well as on the National front is recognized as one of the State's most active women in the world of affairs.

You have done a grand job in editing a magazine of this type.

It contains very interesting and worthwhile information and news of clubs and various organizations. The kind of thing that those of us who have been doing community work have needed for a long time. I wish you much success in this new adventure. Good luck.

In Memoriam

ALBERT LEE BUNDY, age 88, native of Virginia, with greater portion of his life spent in the little town of Delair, N. J., where with his wife Clara they raised one son, and five daughters. After a sudden, and lingering illness, which overtook the beloved husband and father just after the Yuletide season, he was laid to rest March 2nd, 1956.

All during the day, and far into the night, friends from all sections came to bid farewell to a man, generous to a fault, who knew value in a gay and hearty life.

Mourning his passing, but comforted in the knowledge he was beloved by all, are his wife Clara, Pride Bundy, his daughters Jeanne Freeman of Philadelphia, Frances Carter of Washington, D. C., Mr. S. J. Bruce Massey of Newark, N. J., Misses Juanita and Betty Bundy of Delair, and son George Lee also of Delair, seven grandchildren, one sister and two brothers.

DR. CHARLES M. HARRIS of Jersey City, N. J., and Philadelphia Pa., suddenly rushed to Medical Center, Jersey City, where in the course of a few hours (3:30 a.m.), Friday March 8, he had quit these mundane shores.

Among the people he will be remembered as the "angel" of the exceptionally fine play "Midnight Over Newark" by playwright Hughes Allison, which many are inclined to believe gave impetus to the integration of men of color in the Newark City Hospital; also for his all-out efforts chairing a "Charity Ball", for the benefit of the Community Hospital.

Among his friends he will be remembered as a forthright man, of uncrossed vision, who chided them when they were wrong, but still loved them. An eminent Ear-Eye-Nose and Throat Specialist goes on to his reward, and scores grieve at his passing.

Fitting tribute was paid to Past Master, George H. Wilkerson of East Orange on January 18th in Montclair N. J. Honored by Jephtha Lodge #56 F&AM, PHA, with which he has served for forty-four years, the occasion was one of the highlights of Masonic history.

More recently he served as District Deputy Grand Master of the 8th Masonic District and currently he is completing his 4th term as District Grand Lecturer. Modest and retiring, he has been Patron Saint, and Father Counsellor to almost everyone in Jephtha.

The dinner attracted a capacity crowd, and high Masonic officialdom of the State. The guest speaker, Most Worshipful Aldrage B. Cooper, Past Grand Master, was introduced by Past Master Solomon Watson. Presentations were made by Past Master Alfred R. Tomlin, which were followed with remarks by the honored guest.

The accent placed very effectively on an Indian, Chinese and Japanese style influence.

Mrs Miles used her own group of gorgeous young ladies, the Belle Meade models to display her fashions. RELIGIOUS PERSONALITIES

REV. JOHN D. RENFRO, pastor of Mt. Sinai Baptist Church, Fourteenth Street, Newark, N. J. came to that church in 1953, called from First Baptist Church, Carteret, New Jersey, where he had served since 1939.

Since his pastorate at Mt Sinai they have commenced, and are nearing completion of a new church edifice.

Rev. Renfro hails from the far west, where hospitality, and friendliness are as expansive as the prairie areas. Born in Texas, reared in Oklahoma, he is a graduate of Ft. Worth College, and the famed Purdue University.

Early in life, he met, and wed the beautiful Miss Mattye Slaton and commencing his ministerial career in Lafayette, Ind., thence to pastor Union Tabernacle Baptist Church in Indianapolis, Ind., where he served prior to coming to New Jersey, together they have worked, building for God and Humanity.

REV. J. VANCE McIVER, pastor of Union Baptist Church, Orange, N. J., on coming to that city 18 years ago, brought with him knowledge and "know-how" of his years pastoring in the great Abyssinia Baptist church in New York City.

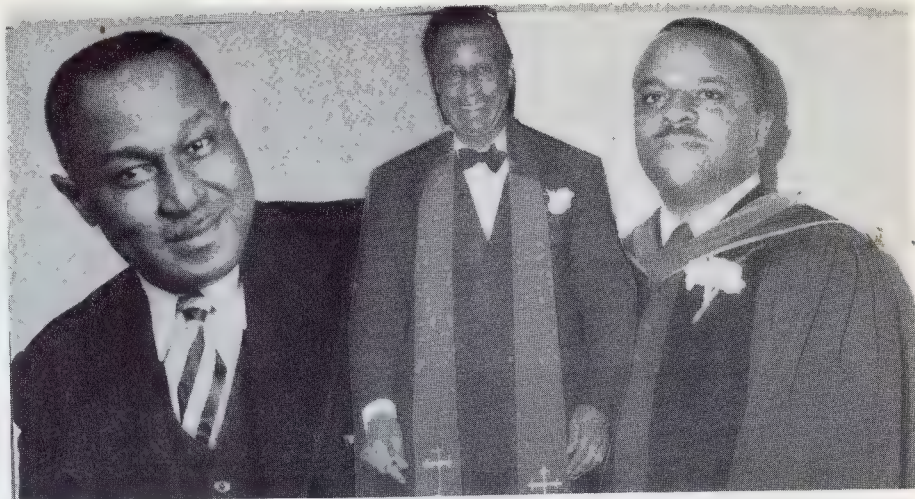

He has made himself an integral part of the community, to the extent laymen, as well as church men recognize his "heart for the people" electing him to the N. J. Assembly as of last year.

Married to the former Miss Leone Simpson of Princeton, N. J., he in his position, and she as wife of an able clergyman, have made themselves felt in the communities in which they have labored together for thirty years, as man and wife.

REV. D. C. RICE, pastor of the Union Baptist Church, Montclair, N. J. Fresh out of Virginia Union Theological Seminary, for a brief while he pastored Bank Street Baptist, in Norfolk, Va., and from there went in to the army with the rank of Captain where he served as Chaplain in the South Pacific for four years.

Returning to civilian life he was called to the Union Baptist Church in Montclair, where he has done a splendid task in the Vineyard of the Master.

He did graduate work at Columbia University, N. Y., received a Master's degree from Bloomfield College

REV. JOHN D. RENFRO - REV. J. VANCE McIVER - REV. D. C. RICE

and ever alert to the demands of his calling, is now obtaining his Doctorate. It was during school days at Va. Union that he met the charming Miss Edith Lattermore of Saluda, Va. who was also a student at Va. Union. They were married, and today, are parents of two daughters, Donna and Denise Rice, ages seven and six.

THE UNION BAPTIST CHURCH SENIOR CHOIR, Midland Avenue and Portland Place, Montclair, N. J., Rev. D. C. Rice, pastor, on Good Friday at the church, March 30th, presented A Sacred Cantata, "The Seven Last Words of Christ", by Theodore DuBois.

The performance was the finale of hard and sincere work on the part of the Senior Choir with John A. Huggs Church organist, and Mrs. Anna Christholm, the guest pianist.

Soloists were Mrs. Marjorie Peterson Ellis, soprano, Senior Choir member, Gareth Anderson, Tenor of Bronx, N. Y., and James Hall, Bass of Brooklyn, N. Y.

Mr. George Palmer, Senior choir president, recalled that a poet once stated "music is a food of love, and a work of art." Reception given the performance by those in attendance bore witness to the veracity of the poet's terminology.

METROPOLITAN BAPTIST CHURCH, Newark, N. J., Rev. B. F. Johnson, pastor, scored a decided hit when the Floral Circle, Mrs. Catherine Porter, President, sponsored a Family Rally March 9th.

Families worshipping together and group singing, together with a delicious collation at the close.

Personalities from the Social - Civic Clubs

MRS STEPHEN E. BURKE the wife of Dr. Burke, one of the oldest practicing physicians in Newark where they have made their home a little over 35 years, is an active figure in the community, civically as well as socially.

Few persons, except intimate friends are aware of her stellar accomplishments in ceramics, which she has been creating for the past 5 years.

Born in the verdant Berkshires area, she is a native of Massachusetts. Mrs Burke claims her "first taste" of this fascinating art came in her early high school days, and interest was rekindled when later in her life she attended classes at the Newark News Crafts Center, where she now instructs in the arts.

She never really liked the feel of the clay on her hands, she stated but enjoyed watching creations come to life. So absorbed did she become until she wended her way to the library and obtained books on the subject. Later compared notes with her brother, Dr. William O. Gardner of Connecticut who at the time was as keen about the subject as she, and as Mrs Burke termed it did a bit of "dabbling" himself.

Later her brother presented a kiln to his sister Marion (Mrs. S. E. Burke), and this gift really started her on the road to a fascinating and creative career. Then she began to make her own molds, and with beauty crowning her efforts, she purchased larger ones, and at present has two kilns at work.

With hushed reverence in her voice, Mrs Burke stated, "It's a very temperamental art--when one puts the piece into the fire, one never can be sure what will come out." Each year she tries to do something different and her friends have been the happy recipients of her labors. She is also quite an artist at etching, enameling and copper work.

DORA ROTHSCILD, one of the City of Newark's most prominent Portias, practicing law, with offices downtown, for some twenty years, together with her husband Attorney Philip Rotschild.

Although born in the Bronx, N Y, at an early age Dora came to Newark with her parents, Mr & Mrs Prestrop, who operated a well stocked hardware store "on the hill"; over the years.

Left to right, Mrs Stephen E. Burke (Marion); Mrs Phillip Rothschild (Dora), Mrs Othello Ashe (Drusilla); and Mrs Kirkland Marrow (Rosamond) at the recent first card party of Quettes, took time to pose for photog Raney. Mesdames Burke and Ashe are "Quettes."

Because of her warm, friendly nature, Dora Rothschild has legions of friends among all races, and she is a welcome sight at social as well as community functions. She and her husband are the proud parents of one son, who attends Lafayette College, Easton, Pa.

A connoisseur of the arts, she herself tries her hand at painting and turns out a number of "conversation pieces."

DRUSILLA ASHE, has been glamorizing women for some twenty-five years. For twelve years she operated her own beauty salon, and later went into the field of teaching the art.

Since 1947, she has been an instructor at the Essex County Vocational & Technical High School. Her adeptness in this type of work, has taken her into a number of parts of the country, conducting Beauty Clinics; her most recent one for South Carolina beauticians.

In the summer of 1954, Dru, as she is familiarly called by intimates together with a number of beauticians from the New Jersey area, and from all parts of the U. S. A., under sponsorship of the National Sorority of Beauty Culturists, made a the months tour of Europe, bringing on her return to the States, a variety of information regarding famous Parisienne beauty salons, and other world famed beauty nooks.

As of this year, she relinquished the position of President of the noted Cosmetologists Guild, Inc. after several years of successful administration. She, however, still maintains her membership of activity, as well

as with the North Jersey Branch of The National College Women, North Jersey National Business and Professional Women, the Quettes Auxiliary to the Omega Psi Phi Fraternity, of which her husband is an active Brother.

ROSAMOND S. MARROW, the Supervising Teacher at the Essex County Vocational & Technical High School, feted for her 20 years of service in that position by Faculty of the School during the month of February 1956 at the Robin Hood Inn, Clifton, N. J.

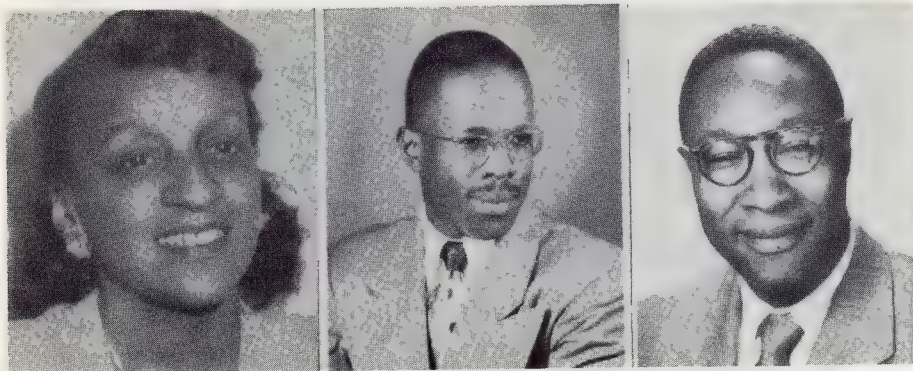

Over the years, Rose has been hailed as humanitarian, woman with keen foresight, as well as one of the most dependable persons to aid any cause, large or small, where the purpose is fostering or mapping out a "blueprint" for better community living.

She expends herself, "going into places scattering sunshine standing at her post midst the thick of life's fray, bearing even censure and scorn, if the bearing is marked with the Seal of the King's Righteous Way."

In 1943 she was married to the personable Police Officer of Elizabeth, N. J., now retired from the force and together they reside in Newark, N. J., where Rose, when not answering the call of the people, takes a few moments to relax, and to enjoy her collection of priceless, and beautiful antiques, which she has garnered over the years.

ORA M. DORSEY, an active AKA (Beta Alpha Omega Chapter) holds the all-important position of General Chairman of activities centered about the Regional Conference of National Sorority of AKA, when her chapter plays the role of hostess to that august body of sorors hailing from all sections along the Eastern seaboard, April 27 thro 29, 1956. Ora is well equipped to handle the job by rights of her position, which she pursues daily as Community Activities Coordinator with New York Housing Authority in New York City.

Further attesting to her capabilities for the many duties which will beset her during the Conference, is the fact she did a splendid job for six years as Program Director at Newark, N. J. Fuld Neighborhood House.

A native of Montclair, and graduate of Talladega College, Columbia University and New York School of Social Work, at which school she is pursuing her Master's degree, Ora is also active in the North Jersey Branch, National College Women, National Association of Social Workers, and prior to its merger held position of president in the American Association of Group Workers.

Despite her full schedule she finds time to devote to singing in the choir of the Union Baptist Church, Montclair, of which church she is a member.

She lives quietly at home with her mother, Mrs Ora Morgan, and during relaxed moments dabbles a bit in the various crafts, such as creation of ceramics, lamps and basket-work.

ROBERT CUNNINGHAM, M. D., son of Mr & Mrs William Cunningham, of Chicago, Illinois, is a native of that city, but now resides in Elizabeth, New Jersey where he practices medicine along with his lovely wife, Dr. Mathilda Davis Cunningham. As Polemarch of KAPPA ALPHA PSI FRATERNITY for little over a year since coming to New Jersey, he has, together with his Fraternity Brothers done a splendid job in furthering the ideals and efforts toward giving scholarships to young men anxious to further their educational careers.

Dr. Cunningham is a graduate of Wilberforce University and Howard University Medical School, where he met his bride-elect, who was also studying medicine there. They were married in 1950 in Elizabeth, N. J., the home of his bride, and after receiving their degrees, they settled in Betsytown. Becoming an integral part of his adopted town has been Robert Cunningham's business; he is an active member of North Jersey Medical Society, the Union County State AMA, Chi Delta Mu (Medical-Dental-Pharmaceutical Fraternity), the Howard Alumni, North End Tennis Club. He also holds the distinguished position of State Medical Director of L. B. P. O. Elks of the World, and is a member of the Executive Board Elizabeth Branch NAACP.

Although Dr. Cunningham professes to no hobbies, his genial personality gives evidence that unsuspectingly to himself he has acquired a most engaging hobby--winning friends--and holding them. He and his wife Dr. Mathilda are gay and happy parents of two children, a boy 18 months, and a girl 4 years of age.

J. THOMAS FLAGG (affectionately "Tom") to his many admirers, goes into his 2nd year as Basileus of Alpha Alpha Lambda Chapter, of Alpha Phi Alpha, and from the barometer readings of previous performances of the Fraternity, since his administration, Tom is serving well.

Although a native of Georgia, he has lived in Newark, and been an active participant in community affairs since reaching manhood, having come to the city with his parents in his early childhood. The son of Mrs J. T. Flagg, Sr. (she herself active in the community endeavors, and the President of the Lit Muse Club), Tom saw school days in the Wilson Avenue school (down neck) and the Barringer High; later he went on to Montclair State Teachers where he graduated and entered the profession as teacher in the New Jersey school system.

He served efficiently as well as effectively 10 years in Lincoln Junior High, Englewood, N. J., then transferred to Newark, and taught three years at Oliver Street School; then to Webster Jr. High, and presently holds the important position Acting head of Science Department, Broadway Jr. High, Newark, N. J.

In soliciting information relative to his extra-curricula activities, Tom stated he finds it more than a full time job to cope with duties and problems, arising during a working day, and then, of course as father of two attractive children, a girl of six, and a boy of three, who must also come in for a portion of dad's attention, not overlooking his attractive wife, E. Alma Flagg, who herself is a Sorority woman and teacher; also his studies which have been extensive and intensive towards his doctorate at Columbia University, hobbies are those of being an attentive father and husband.

OUR MESSAGE this issue is really an announcement and miniature kaleidoscope of the background mechanics of bringing CLUB WORLD to our readers.

THE ANNOUNCEMENT: With this issue our journalistic infant becomes a BI-MONTHLY, thus our subscribers will receive six (6) issues during the year, instead of 4 issues, which was the original plan.

THE RESPONSES, and the reactions to our efforts to serve organizations, and the general public have been unanimously and objectively favorable. These manifestations of faith in our aims and plans are the encouragement that makes our staggering tasks (with our present facilities) a little less difficult.

Lest we "fall flat on our faces" from exhaustion, we would like to respectfully suggest to all organizations to try to cooperate in facilitating the channelling of their:

NEWS, EVENTS, AFFAIRS, activities of their members: WEDDINGS, ANNIVERSARIES, BIRTHDAYS, PARTIES, CHILD BIRTHS, TRIPS, VISITORS from out of town, etc. to---CLUB WORLD,

This can be done by dropping a card, or letter to CLUB WORLD MAGAZINE, Post Office Box # 461, East Orange, N. J.

CHARM

CHARMARAMA
COMPLEXION BEAUTY
-BY-
DOROTHY SKINNER WARD

Basically every woman possesses a degree of charm whether she be conscious or unconscious of it. Have you ever tried to develop a mental picture, through your creative mind of yourself, as how you would really like to appear?

It is essential to the personal acceptance of all women, especially to those engaged in public life to have a clear, sparkling complexion.

All women have an innermost desire to be charming, to be different, and to be remembered. Your personal charm, however, may never be completely expressed until you do something to improve the complexion (which will actually enhance the beauty of your color tone, your eyes, your hair and your smile.)

While reading this column, we are concerned with awakening your interest in KNOWING YOURSELF. It could be perhaps making a (Mirror test) or your-self right now, just the thing to do to start. Study your-self, and see if you can determine without the aid of an expert consultant, your complexion problem. Do you discover faded, sallow color-tones? Are small facial lines beginning to show? If so, then you have a complexion problem. It is important, especially during the cold winter months to learn the value of winterizing your skin to protect it from chapping, peeling and tightening.

TELEVISION

Television viewers sat up with a jolt and rubbed their eyes several weeks ago when one of the principals of the above program was recognized as a former Jerseyite.

Our research revealed that Paul Coates, producer of this series is primarily intent on presenting entertainment, that the sociological contributions are merely coincidental. Nevertheless, it is an effective public service program as he has revealed the hoary hands of racial prejudice in employment practices, the evil influence of the dope traffic on adolescents, the practices of T. V. repair gougers, and music publishing racketeers. Keep up the good work Mr Coates.

Newcombe...Aarons...Minosa

Baseball fans' eyes are focused on various training camps.

A recent interview with Don Newcombe, quote "We expect our stiffest competition from The Braves and the Giants. Jackie Robinson is in great shape, and should play 100 games."

The 1956 winners, "The Dodgers" Hank Aarons of the Braves, and Minnie Minosa of the White Sox counted on to excel.

Sterling track performances by Arnie Sowell, Pitt's splinter luminary, stamp him as one of the greatest.

Maurice, The Magnificent Stokes should cop the most valuable rookie award for his versatile all-around playing with Rochester Royals.

A chipped crystall ball reveals that perhaps the greatest promising heavyweight title prospect is Floyd Patterson, Brooklyn, N. Y.

Modest John Brown, capable Barringer High track coach, "the credit belongs to the boys for their hard work and perseverance," that brought creditable performances by his team during indoor track season.

By- CARL ANDREWS
Director, Morton Street Unit

The Boys' Club Of Newark is an integral part of the Boys' Club of America, which this year celebrates its 50th anniversary. Motivated by an unselfish desire to help boys help themselves, it is today recognized as one of the leading service units in the community.

More than 400,000 boys and a group of trained, and dedicated men, whose goal it is to guide these boys to decent helpful and successful maturity, make up the over-all cast. The Boys' Club operates on a 12 months schedule, daily, except Sunday. During the summer of last year (1955), more than 800 boys attended

camp for a 2 weeks vacation. Of this number, 217 campers were from the Morton Street Unit.

This Unit is presently managed by a board of 29 volunteer members, Martin L. Ashby, Bertram C. Bland, Oliver W. Brown, Edward Bolden, Dykes A. Brookins, Preston Brown, Dr. J. C. Carr, John Coxson, Samuel A. Foster, Joseph A. Francis, James Gayles, Harry Hazelwood, Silas L. Hogan, W. Mainly through their efforts are the successes of our events been assured, such as Hallowe'en Carnival, Thanksgiving Dinner, Christmas Party, Parent-Son Night, Little Sister Beauty Contest, Special trips, parades and other events.

Officers of the Mothers Club, are President Mrs Evelyn Ghor m, Vice President Mrs Euladean Jackson, Recording Secretary Mrs. Ruth Fischer, Cor. Secretary Mrs. Dorothy Carr, and Treasurer Mrs Je a nette Andrews.

The Morton Street Unit facilities of a gymnasium, games room, boxing, TV, woodworking, and classroom, has a present membership of 390 boys. Assisting the Unit Director are Norman Chase, Athletic Director;

Purnell Burbage, games room instructor, Danny Paternmaster, arts and crafts, Frank Ghent, membership clerk, Anthony Weaver, Cooking classes, Katherine Bethea, music instructor, Marshall Lamb and Arthur Parker, boxing instructors.

With the approaching Spring and Summer season, again the staff is thinking and planning for summer camping for our boys. Many youngsters have the desire, but lack the finances to enjoy the summer away from the sweltering streets of the crowded city. You can help make it possible for some boys to attend camp. We implore your interest in this appeal, as an individual, or as an organization.

The estimated cost of sending a boy to camp for two weeks is \$35.00. No contribution is too large, or too small towards providing this great need for our youth. The Advisory Board, and Staff encourage your consideration, and invite you to join in building better citizens of tomorrow. More interest, and support is needed from the members of the community. In addition to the need for funds, a great need exists for interested volunteer help. Why not YOU?

FABULOUS 7 SOCIAL CLUB with a desire to be all the name implies these seven elegant women organized on January 5, 1951, as a social and Vacation-Christmas saving group.

Fabulous parties and equally as fabulous vacations enable them easily to live up to their name. They even find time to meet weekly, another fabulous innovation, since most organizations often find difficulty drawing 100% attendance monthly.

Definitely a fabulous group with each member an officer--Mrs Emma Johnson, President, Mrs. Parfene Lockhart, Vice, Mrs. Elaine Wilson the secretary, Mrs Carrie Brewer the Cor. secy., Mrs Winifred VanDoren the Treasurer, Mrs Loretta VanDoren the business mgr., and Mrs Nettie Kelly, Asst. bus. mgr.

Well aware of the difficulty in making bookings for affairs at the last moment, they have even secured the date for their big public affair to be held OCTOBER 13, 1956 at the Masonic Temple. How fabulous and up to doing things correctly, can one get it?

-----ooo-----

THE WOMEN, 12 STAR CLUB, a social club with all the members hailing from Newark, N. J. are alert to the value of meeting socially, and in the midst of having fun, also setting aside a bit o'cash for a happy vacation and Xmas time.

Meeting weekly, they are able to realize a tidy sum from the hours spent socially.

Blanche Lincoln, is President and her Vice Pres. is Mattie Brantley. Secretary Bernice Bennett; Cor. Secy. Elizabeth Long, Victoria Shaw the Treasurer. Other members are Eva Cranshaw, Jo Stafford, Julia Lyles, Christine Tillman, Barbara O'Bryant, Mattie Ward, Mesdames Lewis, Toles and Hill.

KING'S DAUGHTERS CLUB is fourteen years of age, having come in to being April 26, 1942, and an active auxiliary to the St. James A.M.E. at Court and High Streets, Newark, N.J. of which church, Rev. E. L. Blake is pastor.

They are truly daughters of the "King" in their awareness of their filial duty to God and church. Twice per month one finds them meeting to devise ways and means wherein they might best serve.

Ceala Plowden, is President and Marie Moses, Vice. The secretary is Beulah Brantley, Cor. secretary is Mae Harris, and Lacher Well is the Treasurer.

-----ooo-----

THE YOUNG MARRIED WOMEN'S CLUB of St. James A.M.E Church, at Court & High Streets, Newark, N. J. was organized in 1954 by the pastor Rev. Eustace L. Blake with only eight members. Since then they have added six additional young women.

Not only do the young women serve well, but they have successfully obtained the cooperation of their husbands to the extent, whenever they appear before the church in program their husbands are at their sides.

Organized to offer the young married women opportunity to play an active role, to increase spiritual growth, and to interest and encourage other young women to work in the "Vineyard" of the Master.

So well has the purpose been accomplished until pastor and congregation point with pride to the Ladies Lounge set up by the Young Married Women's club with the aid of their husbands; the embroidered maderia tablecloth depicting all the church auxiliaries, which young women fashioned and presented to pastor and wife, and finally their Annual Te Espanol which is religious circle conversation piece for months afterwards.

CLUB BRIEFS

GUYS & DOLLS SOCIAL AND CIVIC CLUB, INC. (evidently some of the group saw the latest Broadway show, and liked it so well, they decided to formulate Guys & Dolls) since according to information received, they were organized February 11th, 1955.

Whatever the reason, the purpose is clear--as a civic and social group they willingly fraternize with other groups, and definitely contribute to worthy charities.

Floyd Jefferson, President, and his vice president Elizabeth Paine, a good secretary is Lennis Hayes with Blanche Jefferson as asst. William Hayes is Treasurer, James Gayles, a wide-awake business manager, and his assistant is Robert Paine.

JUST-A-MERE SOCIAL CLUB is more than the name implies, they have been doing good deeds of charity since organization February 10, 1947.

The greater portion of the membership hails from Elizabeth, N. J., and each woman is active in many civic groups in the community, which makes them well aware of the needs of their charitable organizations. So when they come to meetings to socialize, they also devise ways as well as means to aid. One of their biggest projects has been contributions on a large scale to the "March of Dimes."

Officers, Mesdames Leota Forman, President; Elva Ryan, Vice President; Marguerite Ballatt, Cor. secy., Helen Eason, Asst. Secy., and Cora Burrell, Treasurer.

CLUB BRIEFS

DELTA CHAPTER, LAMBDA A KAPPA MU SORORITY, one of the many chapters of this National Business and Professional group of women, doing an excellent job to stimulate interest of young women in business and professions, and to supply scholarships towards this end.

The membership of Delta LKM unlike many of the other Chapters of the Sorority has a roster made up of sorors from all parts of the State of New Jersey, as well as Manhattan and the surrounding environs of New York, of some thirty-five active in the work of the Sorority, and also one honorary soror, Mrs. Walter G. Alexander.

An excellent job in the field of public relations has been done, when the Chapter for the past two years has changed the pattern of Lambda Kappa Mu Sorority (which usually forego the giving of Formals), and Delta has for two successive years royally entertained scores of friends during the Yuletide season at the beautiful Carlton Terrace Ballroom in Manhattan in a dazzling Formal.

Delta Chapter, Lambda Kappa Mu was the first group to present to Jerseyites the "Debutantes Ball", at which time many New Jerseydebs made their debut socially.

Officers are Bethel Stevens on of Montclair, Basileus, Clara Tarry of Haledon, 1st anti-basileus, Eames DesVerney of Brooklyn, 2nd anti-basileus, Charity Corley, of New York Cor. Grammateus, Anne Price, Verona is Financial Grammateus, Carmeta Meade of Madison, Tamiochus, Etta Marshall, Newark, Parliamentarian and Annette Booker, of N. Y., is the Epistoleus, while Beatrice Wells of East Orange is Recording Grammateus.

SUPERIOR 25 CLUB, not taking this name, because they are New Yorkers, for here and there we find a sprinkling of Jerseyites.

But selecting the name since it is an all-male group, dedicated to the idea of bringing something just a trifle, at least better, than the usual "run-of-the-mill" dances, given.

Organized November 23, 1936 they have maintained a steady adherence to purpose of organization, and are making themselves felt in their communities. April 7th at Celebrity Club on Eastside of New York, the friends are still talking about such gaiety as Superior 25 presented.

President Curtis Leak, Mt. Vernon, N. Y., V. Pres. Charles Legon, St. Albans; Secy. George W. James Jr., Jersey City; Cor. Secy. Ernest Mayes, Bronx; Treasurer, Robt Gear-da, Jamaica, L. I.

Others, Edward Allen, NYC, Harold Brooks, E. Orange, Dr. Mace Brown, NYC, James Evans of Newark, Raymond Pinder, Jamaica, L. I., Theodore Thager, NYC, Clifton Price of Brooklyn, Edward Hinton of Newark.
